

CHURCH OF THE
HIGHLANDS

for your information

Coffee - Enjoy a cup of coffee on us! Coffee stations are located throughout the building, and at the Grants Mill or Riverchase campus, you can purchase specialty coffee drinks in the Highlands Café.

Childcare - Please take advantage of our excellent Nursery/Preschool (Birth-K) and Highlands Kids (Grades 1-5) programs. Our childcare professionals and sparkling-clean facilities will make your child's experience both fun and exciting.

If you choose to have your children in the service, please be sensitive to others and make sure they are not a distraction to those near you.

Mother's Room - A Mother's Room is available at every campus for mothers who need to care for their small children. Just ask an usher for the location.

Media - To hear today's message online, simply visit churchofthehighlands.com/media, or download our podcasts on iTunes. Free CDs of today's service are also available at the Resource Desk.

Highlands Binders - Free binders are available at the Information Center so that you can collect your Highlands Notes.

Highlands News - Keep up-to-date on everything going on at Highlands this week by following @HighlandsNews on Twitter or visiting facebook.com/highlands.

Connection Card - If you are a first-time guest, we would love for you to fill one out for us. Don't worry, no one will call you or come by your house; we just want to send you a letter that says thank you for coming. It's what we call our "Hassle-Free Guarantee."

want to experience God? weekend services

1

Relevant, authentic, inspiring – these are some of the words we hear from our guests as they explain their first Highlands experience. We hope you'll agree.

With a simple focus on worship and the Bible, you'll have the chance to experience the life-changing power of Jesus Christ. And each service is designed with your friends in mind so you can invite them to check it out too.

want community? small groups

2

We believe that real life change happens best in the context of authentic relationships. Our “free-market” small groups meet once a week in places all around our city and provide a place for you to connect, grow, and discuss the issues and challenges of life. Regardless of your age, interest, or location, we are sure there is a group out there for you. Small groups are also where we pray, care for one another, and are missed if we don't show up!

If you would like to join a small group, simply visit churchofthehighlands.com and check out the online directory of groups or visit the Information Center at your campus. We would love for you to get connected.

want the next steps? growth track

3

Get started on the pathway to discovering your purpose and realizing your potential! The Growth Track is a series of classes that can be completed in four consecutive Sundays. From Church 101, a class that introduces you to the ministry of Church of the Highlands, to Dream Team 401, which shows you how you can make a difference serving others, we can't wait for you to get started.

want to make a difference? dream team

4

Very few people get the opportunity in their lifetime to be part of the success, growth, and life-change we see happening every day in people's lives. That's what the Dream Team does every week – and we invite you to join us.

We believe God has a special place for you where you can use your unique abilities and passions to touch the lives of others and that your life will never make sense until you find, develop, and fulfill your purpose in life. So live the dream – and join the team!

Share Your Story

We want to hear what God has done in your life. Your stories encourage our pastors, staff, and Dream Team in a big way.
