

Welcome  
Home.

## We're so glad you're here today.

### **Coffee**

Enjoy your coffee on us! Free coffee is available at coffee stations located throughout the commons.

### **Nursery and Highlands Kids**

We would love to have your child join us during the service today. Nursery and Preschool is available for children six weeks through kindergarten, and Highlands Kids services are for kids in first through fifth grade. From the smallest babies to the biggest kids, each environment is designed to help your child experience the love of Jesus.

### **Prayer**

We would be honored to pray for you. You can write down anything you'd like prayer for at the bottom of the Connection Card, and our team will pray for you this week. You can also receive personal prayer at the end of the service from our Prayer Team.

### **Mother's Room**

Our team is happy to guide you to the Mother's Room. The Mother's Room is a private place to feed, change, and care for your baby while the service is streamed live just for you.

### **In-Service Guide**

We would love for you to join us on the Highlands App for our In-Service Guide. There you will find digital message notes, online messages, a review of what's in Highlands News, online giving and a digital connection card. You can find the Highlands App on your device's app store.

## Why We Exist

### **Know God**

More than practicing religion, God wants a real relationship with us. Whether you're new to faith, have questions, or have been a Christian for a long time, our weekend services are a welcoming place to learn more about what it means to know God and grow closer to Him.

### **Find Freedom**

God wants us to live our lives to the fullest. One of His ways for us to do that is in community with others, and at Highlands, we intentionally pursue relationships through Small Groups. Groups gather weekly and there are multiple chances to join a group throughout the year. By visiting our website, you can search our Online Directory to find a group that fits your schedule, interests, and season of life.

### **Discover Purpose**

We're all an important part of God's plan, and our lives make the most sense when we discover His purpose for us. We created the Highlands Growth Track to help us take steps in this important process. It's made up of four simple steps you can conveniently attend a week at a time on Sundays following the service. Listen for more details about the Growth Track in the service today or visit our website to learn more.

### **Make a Difference**

God's ultimate plan for us is to make a difference in the lives of others. The Bible tells us that when we do, we'll experience true joy. Through the Highlands Dream Team, our team of volunteers, we hope to connect every person to an opportunity to grow in their purpose. You can take steps to join the Dream Team by attending the Growth Track.
